INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

App. No. 9719

John Arch being first duly sworn through interpreter, in behalf of Semahoyah Arch, deposes and says:

I am about 66 years of age and am a Creek. I am the father of Semahoyah Arch. She died about two years ago. She married Lem Hilderbrand. Her Dawes Commission Number is 32751. (Cherokee). My wife, the mother of Semahoyah, was named Cyndy De-dah-chee-na. That means "sled" in English. She was a Cherokee. She is not living. She married another man before she married John Arch. He was also a Creek. Cyndy died before the allotment. She never got anything from the Creeks. Quaitacy or Betay De-dah-chee-nek was the name of Cyndy's mother. I don't know of any brothers and sisters that Betay had. De-dah-chee-na-ke was Cyndy's father. He had no brothers that I know of. Cyndy was an Emigrant Cherokee. I think that Cyndy's parents were Old Settlers. ~~XX~~ They lived in G. S. District. Cyndy drew the Old Settler money at Ft. Gibson. (Cucumber Ross, present, knew the mother of Cyndy and states that she was an Old Settler).

App. #9747.

August 22, 1907.

Eliza Watkins,

Fanshawe,

Indian Territory.

Madam:-

Replying to your letter of August 12, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, as the Court in its order of April 29, 1907, extended the time for the filing of applications to August 31, 1907, and until the applications are all filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 34,000 applications on file and the claimants are widely scattered through the United States it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

HLC.

Special Commissioner.

My name is Jackson Locust; I was born in
North Carolina, 1861: I was enrolled as a full blood
by the Dawes Commission under the name of Jackson Locust,
#19260. I came to the Cherokee Nation about 1870.
My father's Indian name was Dee-suh-nee-hi. My mother's
Indian name was Su-sie. My parents were born in the
old nation in the East in North Carolina. Both of
my parent came to the Ind. Terr. at the same time that
I did (1870). My father's father's name was Oo-nah-na-lah.
I do not know the name of my father's mother. My mother's
father's name was Kah-nih-quo-dah-dee-skee. My mother's
mother's name was Tsee-yah-nuh-nah. My grandparents
never came to the Ind. Terr. Both I and my ancestors
through whom I claim have always remained Cherokees. We
have never taken up rights with any tribe of Indians other
than the Cherokees. I think my grandparents were enrolled
in the East. At the time of the treaty my grandparents
were living with the Cherokees. My father and mother
were enrolled back in the East. Chio-a yoo-ih, Ia-sah-nih,
Nan-hoo-luh, Ta-lees-kih, Tes-tih and Sow-win-noo-nuh are

daughters of my father's uncle. (See Charman 939-946).

Sir:

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, state as carefully as possible the names under which you think your parents were enrolled in 1851, as the names as given in your application do not appear upon the roll taken at that time. In what county and state were your parents born, and in which were they residing in 1835 and 1851?

Give the full English and Indian names of your grandparents on both sides and state where they resided in 1835, 1845 and 1851. Were your parents or grandparents on either side slaves? If so, state whether slaves of Indians or white people.

Nathaniel Peak on rolls 1835

Reject

APPLICATION #9754.

LOUVINA PEAK, et al.

Applicant was born in Missouri in April 1835 and bases her claim through her father, Jas. Russell Peak and her mother, Judy Peak. On her father's side she claims back through her grandfather, James Peak to her great grandfather, Nathaniel Peak, who it is claimed was enrolled in 1835, page 30, but it does not seem possible that this could be the great grandparent of this claimant as the claimant in her application states that she had a sister born in Jan. 1815, while on the roll of 1835 the name of Nathaniel Peak appears as a white man for the head of his family, which consisted of two boys under 18 years of age and who were half-bloods.

James Russell Peak, applicant's father, is said to have died in July 1835, so his name naturally would not appear on the 1835 roll, but the name of his wife, Judy Peak, who was certainly living at that time and well in middle life, does not appear nor do the names of the brothers and sisters of James Peak appear on the roll of 1835.

Furthermore, it appears from this application, as above stated, the applicant was born in Missouri in 1835 and the testimony of Susan A. Peak (Miscellaneous Testimony Page 2721) shows that her husband's father, the James Russell Peak who was the father of Louvina Peak, took his family to the Indian Territory in 1832. This would appear to place this family among the Old Settlers, although Susan A. Peak further testifies that after the death of James Peak, his wife Judy about 1846 returned to Georgia. The rolls of 1851 do not contain the names of any of the children of James Russell Peak. This family, therefore, was evidently not recognized as members of the tribe at the time of the enrollment of 1851. The claim of applicant, Louvina Peak, through her mother Judy Peak seems equally untenable.

It is set forth in some of the claims in this group that this Judy Peak was Judy Henson before marriage and was enrolled by Chapman as #1309, and that she was the daughter of William and Peggy Henson who were enrolled by Chapman as #1307 and #1308. This claim is absolutely impossible as Louvina Peak herself was born in 1835, at which time her name was Peak and she had a sister born in 1815, while Judy Henson #1309 was only 21 years of age in 1851 - in other words, she was born in 1830. It is quite plain then that she could not have been the mother either of claimant or her older sister and would not have been enrolled under the name of Henson in 1851 when she must have been married to Peak many, many years before that time.

These claimants, some of them, refer with great precision to the claims of certain relatives who they state were enrolled by Drennan in 1851, claiming that these persons were their great uncles and aunts. These names are found in the Saline District, Group 254, but there is nothing in the case to justify the assertion that these parties were in fact relatives of the claimants, and it is perfectly obvious that the claimants had access to the rolls and could in that way have obtained these names, as they specifically refer to the page on which these names are found and name the group and district.

None of these claimants was enrolled in 1851, nor were the parents of any of these claimants enrolled in 1851. If they are in fact Cherokees they were certainly not members of the Eastern band of Cherokees in 1835 at the time of the treaty.

Several in this group are now living in ~~the~~ ^{the} vicinity, but they have not been enrolled by the Dawes Commission.

APPLICATION #9754.

LOUVINA PEAK, et al.

Applicant was born in Missouri in April 1835 and bases her claim through her father, Jas. Russell Peak and her mother, Judy Peak. On her father's side she claims back through her grandfather, James Peak to her great grandfather, Nathaniel Peak, who it is claimed was enrolled in 1835, page 30, but it does not seem possible that this could be the great grandparent of this claimant as the claimant in her application states that she had a sister born in Jan. 1815, while on the roll of 1835 the name of Nathaniel Peak appears as a white man for the head of his family, which consisted of two boys under 18 years of age and who were half-bloods.

James Russell Peak, applicant's father, is said to have died in July 1835, so his name naturally would not appear on the 1835 roll, but the name of his wife, Judy Peak, who was certainly living at that time and well in middle life, does not appear nor do the names of the brothers and sisters of James Peak appear on the roll of 1835.

Furthermore, it appears from this application, as above stated, the applicant was born in Missouri in 1835 and the testimony of Susan A. Peak (Miscellaneous Testimony Page 2721) shows that her husband's father, the James Russell Peak who was the father of Louvina Peak, took his family to the Indian Territory in 1832. This would appear to place this family among the old settlers, although Susan A. Peak further testifies that after the death of James Peak, his wife Judy about 1846 returned to Georgia. The rolls of 1851 do not contain the names of any of the children of James Russell Peak. This family, therefore, was evidently not recognized as members of the tribe at the time of the enrollment of 1851. The claim of applicant, Louvina Peak, through her mother Judy Peak seems equally untenable.

It is set forth in some of the claims in this group that this Judy Peak was Judy Henson before marriage and was enrolled by Chapman as #1309, and that she was the daughter of William and Peggy Henson who were enrolled by Chapman as #1307 and #1308. This claim is absolutely impossible as Louvina Peak herself was born in 1835, at which time her name was Peak and she had a sister born in 1815, while Judy Henson #1309 was only 21 years of age in 1851 - in other words, she was born in 1830. Sir:-

Replying to your letter of August 26, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state, at the present time, whether or not you are entitled to share in this fund, or how much each successful claimant will receive.

As there are already over 40,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

WLC.

My Dear Sir.

I was before your
Special commissioner Mr. Black
in Vinita the 13th but I
am sorry you did not
notify me in time to get
my witnesses there. I have
several witnesses who live
in Stillwell Oklahoma but
they are very feeble and can
not go very far from their
homes. Old aged persons

side they are can not be
taken very far. I and my
brother Robert J. Halland
are all of Hugh Halland
children who are living
at present. and our father
is deranged and I can not
get any information from
him. And all of my witnesses
are full blooded & belong to
the Knight Hawks and they
are hard to get any thing
out of them. If you think
I had better go down to Salt-
well and get some more

and I will do it
at once. For I know we are
Eastern Cherokees. And I
all so know that we were
not Old Settlers for I was
told by those who was
making the rolls.

If I had know when
Mr Black was going to
be in Stillwell Okla. I surely
would have been there to
cause my mother was raised
there. I refused Mr Black
to mount Adair because he and
my mother was raised to gather
Receipt Hattie Hecand C. 1959.

Dear Sir:

In re No. 9762, Jane Still.

It appears that this application was filed through John L. Springston. However, applicant has given me power of attorney, which I hold in this office. Examination of this application now in your files shows that the information is very meagre in regard to the family history.

In order that you may have all of the facts, I desire to say that my correspondence with applicant shows:

Martin Goans was a Emigrant Indian. He enrolled in the year of 52. I think him and his brother Matthew Goans and Tommy Goans and Miss Cassandel Goans and Polley Goans and Rhoda Goans and my Grandma, Malinda Balan and also my mother Mandy Balan and my uncle Bill Balan and my aunt Sindey Balan were all enrolled."

In another letter applicant further suggests that her ancestors were enrolled at Hamalton County, Tennessee.

Trusting that this may be of service to you in passing upon the above application, and suggesting that you note my name as the attorney of record in this case,

Very respectfully, ,

W. W. Wright

BM.

**SPECIAL COMMISSIONER OF THE COURT OF CLAIMS,
EASTERN CHEROKEE ENROLLMENT,
601 OURAY BUILDING,
WASHINGTON, D. C.**

Sir:

Replying to your request for a blank application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, you are advised that under the order of the Court of April 29, 1907, all applications were required to be filed on or before August 31, 1907.

It is therefore now too late to file applications except on behalf of minor children, persons of unsound mind, or persons under some other legal disability.

Very respectfully,

GUION MILLER,

Special Commissioner.

App. #9762.

March 9, 1910.

Jane Still,
Oktaha,
Oklahoma.

Madam:

Your letter of February 17, 1910, relative to the claims of your sons, Levi and Elias Still, to participate in the Eastern Cherokee Fund, is at hand.

In reply you are advised that it appears that your son, Levi, was of age and should have filed an application in his own behalf, and as he did not file an exception within the time allowed for such filing it is now too late for any action to be taken in his case.

Your other child, Elias, was omitted from the roll through an error and will be placed on the roll and receive his share of the fund when payment is made.

Very respectfully,

Special Commissioner.

I am 50 years of age; was born in Georgia.
I am not enrolled by the Dawes Commission. I went before
the Dawes Commission but never got an allotment. I have
never gotten any Indian money from the government. I claim
my Indian blood through both my mother and father. They
were part Indians. I do not know if my mother or father
ever drew any Indian money. My mother was a Sizemore
before she was married. I never saw my grandparents.
I was nine years old when I came here and think I came
from some place near Atlanta. My father was a voter.
He had no education. My mother never went to school.
My grandparents lived in Buncomb County, N.C. I do
not know if I am related to the North Carolina and Virginia
Sizemores or not.

That I am 20 years of age. I claim my Indian descent through my father; my mother is a white woman. My father was 1/4 Cherokee. He has no other Indian blood. My father was 41 years of age when he died. My father got his Indian blood through both parents. My grandparents were living in 1851 in Coconoscooie Dist. Henry and Letty Crittenden were my grandparents' names. Surtix I think Hopkins was my grandmother's name before she was married. I have been told that my grandfather's people's name in Cherokee was Cheddenox. My grandmother's name was Eleeta Hopkins (Del. 141) My father has a brother named Jim Crittenden who lives at Grove, Okla. My grandfather, Henry Crittenden was never known by any other name. (Del. 896) I am on the Dawes Commission 26037. Lizzie Lacey is a sister of my father and she lives at Warner, Okla.

Madam:

Relative to your application for participation in the fund arising from the decree of the Court of Claims in favor of the Eastern Cherokees, please state with whom you think your grandfather, Henry Crittenden, was enrolled in 1851; if at all? Where did he live in 1851? Was he any relation to Anna Chickencock or Jonas Chickencock; and if so, what was the relationship?

Have you, or any of your ancestors, ever lived in the Choctaw nation?

Give any information which you may have tending to establish your right to participate in this fund.

An early reply will be appreciated.

Very respectfully.

In the matter of the enrollment of the Eastern Cherokees for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, of May 28, 1906, the Court of Claims on April 29, 1907, entered a further order directing the distribution of this fund *per capita*.

Under this order all Eastern Cherokees by blood, who were living on May 28, 1906, who can prove that they are descended from Eastern Cherokee Indians, parties to the Treaty of 1835-6 and 1846, will be entitled to enrollment. Minor children are to be enrolled with their parents.

You have already filed application No. *9.7.7.5* for your own share of this fund, but it does not show whether you have any minor children. If you had any minor children living on May 28, 1906, you should fill out the inclosed Supplemental Application, and together with two witnesses acknowledge the same before a Notary Public or other proper officer, and should mail said application to this Office immediately.

Relative to your application for participation in the fund arising from the decree of the Court of Claims in favor of the Eastern Cherokees, please state why your parents were not enrolled in 1851?

Were any of your grandparents ever enrolled as Eastern Cherokee Indians?

Why have you never been enrolled?

Please state specifically the name of the ancestor through whom you claim the right to participate in this fund.

An early reply will be appreciated.

No. 9777.

Mattie A. D. J. Merck, being first duly sworn,
deposes and says:

My name is Mattie A. D. J. Merck and I reside at Gainesville, Ga., R.F.D. I was born in Dawson Co., Ga. in 1852. I claim relationship to the Cherokee Indians through my mother, Sydney M. Payne, whose maiden name was Sydney Posey, and she was a quarter Cherokee Indians. My mother claimed through her father, Potter Posey, who was a half blood Cherokee Indian. My mother was born in Dawson Co., Ga. about 1822. I do not remember my mother, as she died when I was quite small, but my father told me that my mother had Indian blood but that he would never allow her to claim as he wanted her to be recognized always as a white woman without Indian blood; that my grandfather, Potter Posey, was a half-blood Cherokee Indian and that he could understand when they conversed together as he talked half Indian and half English. My father also told me that my grandfather lived among the Indians until they carried them away from here, and that they were going to take my grandfather away, but for some reason they didn't. I do not know where my grandfather was born. My grandfather died in 1851. I do not know why he was not enrolled previous to that time. My grandfather, as far as I have heard, always lived in Dawson Co., Ga.

Harriet L. Williams, being first duly sworn, deposes and says:

My name is Harriet L. Williams and I reside at Gainesville, Ga. I am nearly seventy-seven years of age and I have known Mattie A. D. J. Merok all her life. I knew her father, Ambrose Payne, and also her grandfather, Potter Posey. I was raised in Dawson Co., Ga. and Potter Posey and his son, Eyoung Posey, worked for my father. I desire to state that Dawson County was formerly part of Lumpkin County. Her grandfather was a thorough Indian, and all the children would run away from him; he could talk the Indian language, and he always told us that he was a Cherokee Indian. He was always recognized as an Indian and associated with the white people, he was never taken for a colored person. He had long, straight black hair and all the other features of an Indian, and people always recognized him as an Indian. I remember Mrs. Merok's mother and she strongly resembled an Indian, but was always recognized as white. I remember when the Indians were carried away from this country and have often seen Indians and know a Cherokee Indian when I see one, and her grandfather, Potter Posey, was certainly a Cherokee Indian. I never would talk with her grandfather, as we were always afraid of the Indians and thought they would scalp us, but I must say that he never did any wrong and was always respected by the white people. He never was enrolled, and died about the year 1851.

Relative to your application for participation in the Eastern Cherokee Fund, you are requested to inform this Office as to the name and number under which you were enrolled by the Dawes Commission. Also state the name and number under which your children were so enrolled. Were you enrolled with the Creeks or Cherokees? Are both your children living? If not, state the day, month, and year of death.

Please do this at once, as it is necessary, in order that your case may receive final disposition. Please refer in reply to WEA-9787-9587.

The Commissioner of Indian Affairs,

Sir:—

'Eastern Cherokees, No. 1512.'

Will the office please say whether we are correct in the names set out in the applications of Lucy McCoy and Dave Yo-ho-la, brother and sister for shares of emigrant money—

The names referred to are those claimed on and alleged in my Jan letter as residing in the then Skin Bayou District, and who are or were Creeks --

It is understood that their proper names were Yo-ho-las instead of Whalers as alleged-- Thompson Whaler as alleged is not known by that name, but by the name of Gumpsey Yo-ho-la instead, yet the Thompson Whaler is the man referred to as claimed on--

Then Jack Whaler, his name as known was Jack Yo-ho-la, yet they are one and the same man--

Then Whaler as referred to, he was known as Yo-ho-la, yet both names refer to one and the same person--

All we wished to know was whether the office rolls showed the said persons as Yo-ho-las or Whalers--

The applicants are Creek Indians, speak not the english at all, hence my doing for them. I simply do not wish they to lose out on the name only--

The Honorable,

Commissioner of Indian Affairs,

Washington, D. C.

Sir:

I herewith transmit application blank, properly filled out, for participation in the division of what is known as The Eastern Cherokee Payment.

I have filled out this blank to the best of my knowledge, which is not very explicit, as I know but little about my ancestors, they having died when I was small.

I have been enrolled twice: once, for participation in what was known as the Cherokee Strip Payment, in which case I was identified on the rolls by one Richard Duck, who is now deceased; also to participate in the legal subdivision of the lands of the Cherokee Indians. I submit this information simply to aid you in locating me on the rolls.

In making out application, I stated that I claimed a right to participate in the division of this money through my mother and father. I now wish to state that I am not sure whether I am entitled to money through both of them, as I have no knowledge as to when, where and how they are enrolled.

Respectfully,

Maggie McDonald was Hager's son's Spence

I don't know whether either my father or mother were ever enrolled as Eastern Cherokees .

I was assisted in getting my citizenship established before the Cherokee Council by one Richard Duck. I was also identified by said Duck and one Nelson Foreman on the Old Settler Roll. My identity would probably be more easily established by reference to said roll.

Trusting that with the meagre information with which I am able to furnish you that you will have no further trouble in tracing my lineage , I am,

Mr. Guion Miller,
Special Commissioner,
Washington, D. C.,

Sir:-

Replying to your letter of December 27, 1907,
relative to my application, No. 9791, arising from the decree
of the Court of Claims in favor of the Eastern Cherokees,
will say, that below is given a list of the names of all my
people of whom I have ever heard anything of.

Grandfather,	Daniel Spencer.
Grandmother,	Sarah, "
Father,	Jim "
Uncle,	John "
Sister,	Annie "
Brother,	John "

If any of the above named persons are living I am not aware of
the fact.

As I have previously stated, my father and mother were
both killed in a battle between the Osages and Cherokees,
when and where this battle was I have no knowledge. At the
time of this fight I was very small and was taken by some white
people into Kansas, where I stayed until I was grown. I haven't
heard of these people for a number of years and have no idea
as to their whereabouts.

No. 9791

Maggie McDonald, after being first duly sworn, deposes and says:

I am about 46 years of age; do not know what part of the Indian Territory I was born. I am a Cherokee allottee. My father's name was Jim Spenceer. I do not know what my mother's name was. I drew Old Settler money about 13 years ago. I drew over a hundred dollars. I do not know if my mother was an old settler. I do not know who I drew Old Settler money through. I never saw my grandfather. Mr. Mr. Hitchcock told me my grandfather's name. Pick Duck was in the same tribe that I was when I was little. He helped me get my allotment. I was taken away when I was small and raised by some people in Kansas. I think my mother's name was Sarah. I was known by the name of Hughes when I came back here. I was always told by the people that raised me that my name was Spenceer.

Madam:

It will be impossible to make disposition of your claim for participation in the Eastern Cherokee Fund without additional information in regard to your ancestors. It is impossible to make out the names as written in your application. Furnish us with the names of your parents, both English and Indian, and specify the ones used in enrollment with the Eastern Cherokees in 1851. Give the names of the members of your family who were enrolled with your parents at that time.

Have a different party from the one who filled out your application do your writing.

State in your reply if any of your people were ever enrolled with the Old Settlers or if any of them were ever held as slaves; if slaves, were they owned by white people or Indians?

Please give this matter prompt attention and refer in your reply to the number of your application.

Madam:

Relative to your application for participation in the fund arising from the decree of the Court of Claims in favor of the Eastern Cherokees, please state under what name you think your father was enrolled in 1851. The name as given in your application is written so poorly and the ink has been blurred so that it is impossible to read the name. I, therefore, caution you to be careful to spell correctly and write plainly in replying to this letter.

Give any other information you may have tending to establish your right to participate in this fund.

An early reply will be appreciated.

Very respectfully,

the chief was enrolled. He

He does not know this enrollment

am not positive, as we
have not yet got his

Sir:

Replying to your letter of July 29, 1909, making inquiry as to why the adult daughter, Eliza, of Henry Whaler was not enrolled with him, you are advised that she was not enrolled for the reason that she was of age and should have filed a separate application.

The application filed by the father for himself and minor children is not sufficient for her claim, as each adult was required to file a separate application.

The matter is now out of my hands, but if he wishes to take any action in the matter he will have to file exceptions to my report to the Court of Claims before August 30, 1909. The inclosed circular will furnish you with the information necessary to file exceptions.

Very Respectfully,

If the parents are not living, give their names and the date of the death of each. Also advise if this child was enrolled by the Dawes Commission? Sir:

Relative to your application for participation in the fund arising from the decree of the Court of Claims in favor of the Eastern Cherokees, please state under what names you think your father and mother were enrolled in 1851. The names, as you spell them in your application, do not seem to be upon the Roll. The same is true of your grandparents on your father's side. You do not give your grandparents on your mother's side. This is probably caused by the person who filled out your application not spelling the names correctly. Please be very careful, in answering this letter, to write plainly and spell correctly.

Give any other information you may have tending to establish your right to participate in this fund.
